

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and Board
View 1**

**EUT Housing and Board
View 2**

Solder Board-Component View 1	 A photograph of a small, square, black printed circuit board (PCB) component. The board is populated with several surface-mount components, including resistors and a central integrated circuit (IC) with a circular window. Text on the board includes "MX-1122-B2", "MX-1135-B2", "2020/12/04", "B 50K", and "HIC.UOL". A black cable with a multi-colored connector is attached to the bottom right. The component is placed on a blue textured surface next to a black ruler with white markings in millimeters.
Solder Board-Component View 2	 A photograph of a small, square, green printed circuit board (PCB) component. The board has several silver-colored solder pads and a central integrated circuit (IC) with a circular window. A black cable with a multi-colored connector is attached to the top right. The component is placed on a blue textured surface next to a black ruler with white markings in millimeters.

Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) component, labeled '3', showing various electronic components including a microcontroller, capacitors, and a connector. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows dimensions from 0 to 100 mm.
Solder Board-Component View 4	 A photograph of a green printed circuit board (PCB) component, labeled '4', showing various electronic components including a microcontroller, capacitors, and a connector. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows dimensions from 0 to 100 mm.
