Karaoke Party Machine

User's Guide for Model JB179B v2344-01

Important Safety Instructions

- Read these Instructions.
- Keep these Instructions.
- Heed all Warnings.
- Follow all instructions.
- Do not use this apparatus near water.
- Clean only with a dry cloth.
- Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Do not defeat the safety purpose of the polarized or grounding - type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. When the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Only use attachments/accessories specified by the manufacturer.
- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- Use only with a cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.

FCC Warnings

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Additional Warnings and Precautions

- **CAUTION**: TO PREVENT ELECTRIC SHOCK, MATCH WIDE BLADE OF PLUG TO WIDE SLOT, FULLY INSERT.
- Mains plug is used as disconnect device and it should remain readily operable during intended use. In order to disconnect the apparatus from the mains completely, the mains plug should be disconnected from the mains socket outlet completely.
- **WARNING**: Shock hazard - Do Not Open.
- **CAUTION:** Use of controls or adjustments or performance of procedures other than those specified may result in hazardous radiation exposure.
- **WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- **WARNING:** Do not place this unit directly onto furniture surfaces with any type of soft, porous, or sensitive finish. As with any rubber compound made with oils, the feet could cause marks or staining where the feet reside. We recommend using a protective barrier such as a cloth or a piece of glass between the unit and the surface to reduce the risk of damage and/or staining.
- **CAUTION**: The device has been evaluated to meet general RF exposure requirement. The device can be used in fixed/mobile (min 20cm) exposure condition without restriction.

CAUTION RISK OF ELECTRIC SHOCK DO NOT OPEN
ATTENTION RISQUE D' ELECTROCUTION NE PAS OUVRIR

WARNING: To reduce the risk of electric shock, do not remove cover (or back). No user-serviceable parts inside. Refer servicing to qualified service personnel.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of un-insulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

This symbol indicates that this product incorporates double insulation between hazardous mains voltage and user accessible parts.

WARNING: This product can expose you to chemicals including lead, which is known to the State of California to cause cancer. For more information go to: www.P65Warnings.ca.gov This product meets and complies with all Federal regulations.

Overview

Features

- Bluetooth 5.0 wireless - range 60 ft.
- Voice prompts announce speaker functions
- Built-in speaker
- LED color changing lights
- 2 microphone inputs
- Microphone echo and volume control
- 3.5mm Line In
- USB port - supports MP3 file format

Includes

- USB power adapter
- Microphone

Controls & Inputs

1. **Power ON/OFF**
2. **Mute**
3. **Disco Light ON/OFF**
4. **Display**
5. **Stop**
6. **Pair / ▶||:** Press and hold to pair to a Bluetooth device.
   Press to play or pause tracks (BLUETOOTH/USB).

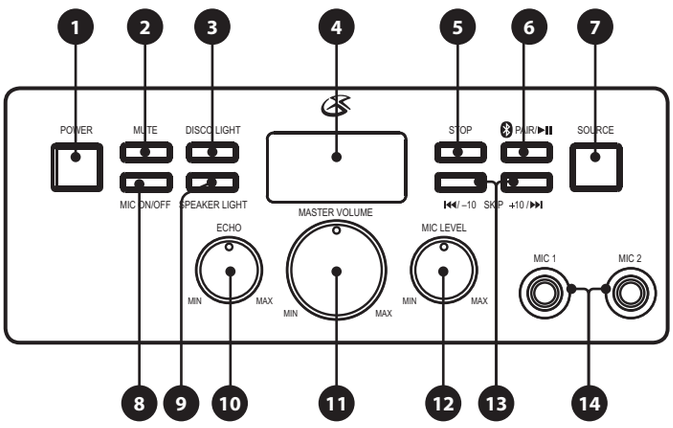
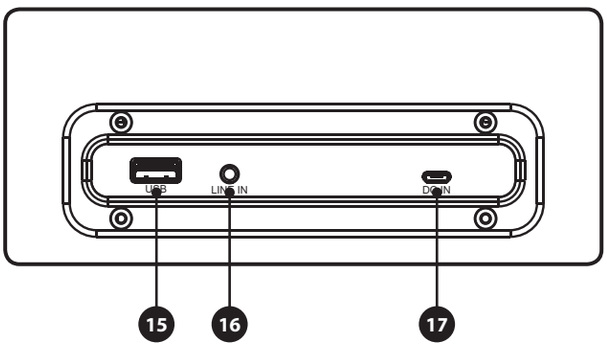
11. **Master Volume Adjust**
12. **Mic Volume Adjust**
13. **|◀◀ ▶▶|:** Short press to skip audio tracks (BLUETOOTH/USB).
    Press and hold to skip 10 tracks (USB).
14. **Mic Inputs**
15. **USB Media Port**
16. **Line In (3.5mm audio input)**
17. **Micro-USB DC Power Input**



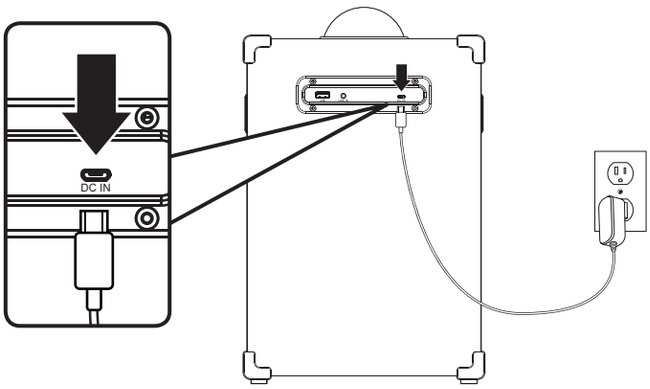
Front Controls



Rear Inputs

Power

To power the karaoke machine, plug the USB power adapter (included) into the DC Power Input on the speaker and a standard power outlet.



Bluetooth Wireless

Pairing & Playing Audio

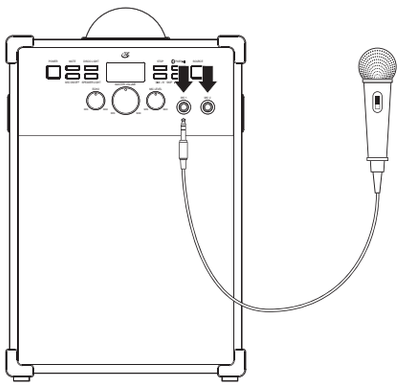
1. When the speaker first powers ON it defaults to Bluetooth Mode and is ready to pair automatically. When pairing, remain within 3 feet of the Bluetooth device.
2. Using the controls on your Bluetooth device, select **JB179**B in the Bluetooth Settings to pair. If need be, refer to the user's manual for your specific device for more information.
3. When successfully paired, a voice will announce, "Bluetooth is connected." Your Bluetooth device will now be heard through the speaker.
4. Use the controls on the connected Bluetooth device to select and play audio. Use the speaker controls or the connected Bluetooth device to play, pause, and adjust the volume level.

After initial pairing, the speaker will automatically connect to the last Bluetooth device used whenever it is in Bluetooth Mode. **Note:** If your device should become unpaired or you find it is unable to connect, press & hold the button to enter to Pairing Mode. A voice will announce, "Bluetooth is connecting, " and you can connect to the speaker manually.

Microphone

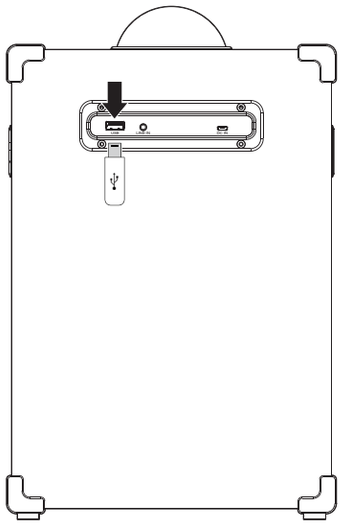
Requires a microphone with 1/4 in. input (included).

1. Connect a microphone to either of the **Mic Inputs** on the unit. Whenever a microphone is plugged in, it will transmit audio in addition to other sources that may be playing.
2. Before use, be sure the Mic ON/OFF switches on the microphone and the speaker are in the ON position. Use the Mic Volume and Echo controls to adjust the microphone audio levels.



USB

1. Load a USB drive into the USB Media port. The speaker will automatically switch to USB Mode, indicated on the display, and begin playing media on the drive.
2. Use the controls on the speaker to select and play audio from the connected drive.



Line In

Requires a 3.5mm audio cable (not included).

1. Connect a 3.5mm audio cable to the **Line In** on the unit and the **audio output/headphone jack** on an audio device.
2. Press **Source** to switch to **Line In Mode.**
3. Use the controls on the connected device to select and play audio. Be sure the volume on your connected device is audible when you begin playing.
