EUT View 7	 A top-down photograph of a circular, black electronic unit. The unit has a matte finish and several small, dark, circular components (possibly screws or mounting points) arranged in a pattern on its surface. A black ruler with white markings is placed next to the unit for scale. The ruler shows measurements in both centimeters and inches. The background is a solid blue surface.
EUT View 8	 A side-view photograph of the same circular, black electronic unit. The unit is shown from a low angle, highlighting its profile and the base. The base appears to have a small, dark, circular component. The unit is resting on a blue surface, and the background is a light blue gradient.
