Solder Board-Component View 4	 A photograph showing a green printed circuit board (PCB) with a red component soldered onto it. The PCB is connected to a circular black component via two thin wires. A ruler is placed vertically on the left and horizontally at the bottom for scale. The background is a blue textured surface.
Antenna View	Coil Antenna  A photograph showing the same PCB and black component from a different angle, highlighting the coil antenna structure. A red box and a red line point to the coil antenna. A ruler is placed vertically on the left and horizontally at the bottom for scale. The background is a blue textured surface.
