A photograph of an ESP32-WROOM-32U V2.1 module, a small microcontroller board. The module is shown with a ruler for scale, indicating its size. The ruler has markings in millimeters and centimeters. The module features a black PCB with various components, including a large silver heat sink, a small black component labeled '2108', and several pins labeled with functions like GND, VCC, TX, RX, and I2C. The module is placed on a white surface.
