

Authorization Letter

Date: 2026-08-18

To Whom It May Concern,

**Subject: Authorization for Data Reuse / Reference for FCC ID:PD9BE211NGW
IC:1000M-BE211NG**

We, **[Intel Corporation]**, the undersigned, hereby authorize **[MICRO COMPUTER (HK) TECH LIMITED]** (Address: RM 18, 28/F, Shui On Centre, 6-8 Harbour Road, Waterfront, Wan Chai, HK) to reference and reuse the test data and test reports of our certified modular approval, **FCC ID: PD9BE211NGW** (Granted date:08/05/2025) **IC: 1000M-BE211NG**, for their application under FCC ID:2A49R-MS-03-S386H , IC: 31345-MS03S386H.

We confirm that the modular hardware and software implementation integrated into the host device remains identical to the originally certified module FCC ID:PD9BE211NGW IC:1000M-BE211NG.

We further clarify that certain channels have been disabled via host firmware/software setting. Except for the disabled channels, the original test results for the remaining active channels continue to be fully representative of and applicable to the device being certified.

Should you have any questions or require further clarification regarding this authorization, please do not hesitate to contact us.

Sincerely,

Signature: _____
