The product: Electronic Display Device

And Model No.: Z4P36D, T3R8L7

FCC: 2A4DH-6572

Z4P36D, T3R8L7 have the same technical construction including circuit diagram, PCB Layout, components and component layout; all electrical construction and mechanical construction are identical. The difference lies only in the model number and display.

Model	Display	Enclosure
Z4P36D	monochrome display	Gray/Green
T3R8L7	color display	Gray/Red

All these changes do not degrade the unwanted emissions of the certified product.
