E-Label Settings Pathway

Certification information can be found electronically in the companion application on the paired mobile device. Starting from the Home tab of the application:

1. Tap the Settings icon
2. Scroll to and tap "Regulatory information"

Then users can find the following information:

Wireless Device

Model: BEE10200U

UNITED STATES

FCC ID: 2A4DH-7628

Note:

1. The FCC label statement will be included in the Getting Started Guide, which is an in-box document and will be sold with the device.
2. FCC ID will also be placed on the POD label on the packaging.
3. This device is certified for the United States only.
