Amazon.com Services LLC
410 Terry Avenue, Seattle, Washington, 98109 United States

E-Label Settings Pathway

Certification information can be found electronically on the device:

1. Settings Menu
2. Legal and compliance
3. Regulatory information

Then users can find the following information:

Electronic Display Device

Model: T3R8L5

UNITED STATES

FCC ID: 2A4DH-7844

CANADA

IC: 24273-7844

Note:

1. The FCC label statement will be included in the WSL which is an inbox document and will be sold with the device.
2. FCC ID, IC ID and Model No. will also be put on POD label on packaging.
3. The device does not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information and that the ISED ID information is programmed by the responsible party and the information is secured in such a manner that third-parties cannot modify it.
