

NFC Antenna specification

Manufacturer: Descartes System Group Inc

Address: 105 Trafalgar Street, Floor 2 Floor 2, Nelson, New Zealand

PN	PCB Antenna
Standard	NFC
Frequency	13.56MHz
AntennaGain	0dBi
FeedImpedan	50ohms
Workingprinci ple Interface	LCoscillator Directconnected

Antenna Size

We, Descartes System Group Inc, statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
