

# Insert Card 3.5"x2" double sided Included inside product package

Front

## GETTING STARTED

Full documentation at [omgcore.net/help](http://omgcore.net/help)

- 1 **Update to latest firmware**  
(<http://omgcore.net/flash>)
- 2 **Plug O.MG in & connect to WiFi**  
(SSID O.MG & Pass: 12345678)
- 3 **Browse to <http://192.168.4.1>**

That's it! All controls are now in your web browser. DuckyScript payloads can be transmitted by switching to the Payload tab and clicking the "Run" button. A DuckyScript syntax guide is available under the Help menu.

## SAFETY INFORMATION AND WARNINGS

If your device gets hot to the touch, unplug the device and let it cool before using it again. This device complies with applicable surface temperature standards and limits defined by the International Standard for Safety (IEC 60950-1). Still, sustained contact with warm surfaces for long periods of time may cause discomfort or injury. Keep the device in a well-ventilated area when in use. Allow for adequate air circulation under and around the device. Do not expose the device to water or extreme conditions (moisture, heat, cold, dust), as the device may malfunction or cease to work when exposed to such elements. Do not attempt to disassemble or repair the device yourself. Doing so voids the limited warranty and could harm you or the device. This device is not designed, manufactured or intended for use in hazardous environments requiring fail-safe performance in which the failure of the device could lead directly to death, personal injury, or severe physical or environmental damage.

## STATEMENT OF CONDITIONS

O.MG Devices are network administration and pentesting tools for authorized auditing and security analysis purposes only where permitted subject to local and international laws where applicable. Users are solely responsible for compliance with all laws of their locality. Mischief Gadgets LLC, Hak5 LLC and affiliates claim no responsibility for unauthorized or unlawful use.

O.MG Core is a trademark of Mischief Gadgets LLC. This product is packaged with a limited warranty, the acceptance of which is a condition of sale. See [o.mg.lol](http://o.mg.lol) for additional warranty details and limitations. Availability and performance of certain features, services, and applications are device and network dependent and may not be available in all areas; additional terms, conditions and/or charges may apply. All features, functionality and other product specifications are subject to change without notice or obligation. Mischief Gadgets LLC reserves the right to make changes to the product description in this document without notice. Mischief Gadgets LLC does not assume any liability that may occur due to the use or application of the product(s) described herein. Made in China. Designed by Mischief Gadgets in California. Distributed by Hak5 LLC, 548 Market Street #39371, San Francisco, CA 94104. © Mischief Gadgets LLC.

## REGULATORY

Regulatory certification information is available on device. Go to About > Regulatory.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Warning (Part 15.21) Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

## SPECIFICATIONS

INTERFACE: USB  
STANDARDS: USB 2.0, 802.11b/g/n  
FREQUENCY RANGE: 2400 MHz ~ 2483.5 MHz  
POWER: USB 5V 500mA  
OPERATING TEMPERATURE: 0°C ~ 40°C  
STORAGE TEMPERATURE: -20°C ~ 50°C  
RELATIVE HUMIDITY: 0% to 90% (noncondensing)

e-label
