Introduction

Thank you for purchasing the R4100. This manual provides important information about the product and its use. Please read this manual carefully before using the product.

Features

- 24-key numeric keypad
- 12 function keys
- 16 programmable keys
- 16 programmable macros
- 16 programmable shortcuts
- 16 programmable gestures
- 16 programmable actions
- 16 programmable commands
- 16 programmable scripts
- 16 programmable macros
- 16 programmable shortcuts
- 16 programmable gestures
- 16 programmable actions
- 16 programmable commands
- 16 programmable scripts

Specifications

Model	R4100
Dimensions	180 x 120 x 40 mm
Weight	1.2 kg
Material	Aluminum
Color	Black
Connectivity	USB
Compatibility	Windows 7, 8, 10, macOS, Linux
Warranty	3 years

Installation

1. Connect the R4100 to your computer using the USB cable.

2. Install the R4100 software from the CD-ROM.

3. Follow the on-screen instructions to complete the installation.

Operation

1. Press the power button to turn on the R4100.

2. Press the function keys to perform various tasks.

3. Press the programmable keys to perform custom actions.

4. Press the programmable macros to perform custom macros.

5. Press the programmable shortcuts to perform custom shortcuts.

6. Press the programmable gestures to perform custom gestures.

7. Press the programmable actions to perform custom actions.

8. Press the programmable commands to perform custom commands.

9. Press the programmable scripts to perform custom scripts.
