

FCC WARNING: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received, including interference from authorized radio transmission systems. This device has been tested and found to comply with the requirements in Part 15 of the FCC Rules, Section 15.101 through 15.107, including the requirements for operation in the 2.4 GHz ISM band. This device complies with the requirements in Part 15 of the FCC Rules, Section 15.101 through 15.107, including the requirements for operation in the 2.4 GHz ISM band. This device complies with the requirements in Part 15 of the FCC Rules, Section 15.101 through 15.107, including the requirements for operation in the 2.4 GHz ISM band.

WHEN USING A KEYBOARD:

- 1. Do not use the keyboard for more than 2 hours at a time.
- 2. Do not use the keyboard in a wet or damp environment.
- 3. Do not use the keyboard near a fire or other heat source.
- 4. Do not use the keyboard near a strong magnetic field.
- 5. Do not use the keyboard near a strong electric field.
- 6. Do not use the keyboard near a strong radio frequency field.
- 7. Do not use the keyboard near a strong electromagnetic field.
- 8. Do not use the keyboard near a strong magnetic field.
- 9. Do not use the keyboard near a strong electric field.
- 10. Do not use the keyboard near a strong radio frequency field.
- 11. Do not use the keyboard near a strong electromagnetic field.
- 12. Do not use the keyboard near a strong magnetic field.
- 13. Do not use the keyboard near a strong electric field.
- 14. Do not use the keyboard near a strong radio frequency field.
- 15. Do not use the keyboard near a strong electromagnetic field.

GUARANTEE
Non-human damage
12-month warranty
