

USER Guide

FCC Information

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

—Reorient or relocate the receiving antenna.

—Increase the separation between the equipment and receiver.

—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

—Consult the dealer or an experienced radio/TV technician for help. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Radiation Exposure Statement

This device complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. During the operation of device a distance of 15 cm surrounding the device and 20 cm above the top surface of the device must be respected.

Feature of Product

*Qi Standard Wireless Charger:
5W/7.5W/10W/15W charging mode,compatible for Android & iPhone charge.

*2in1 Rotatable Charger Dock : 2 Plug Type for iPhone & Typc -C Phone

*Bluetooth Earphone Charger Dock. Smart watch charging stand.

* Suitable Indoor Use:
Home,hotel,office,restaurant,bar,etc.

Specifications

Item Model	YM-UD17
Input Voltage/Current	5V-3A Max. 9V-2A Max.
Outdut Watch:	2W
Outdut Earphone:	5W
Outdut Cellphone:	5W-7.5W-10W-15WMAX
USB Cable Length:	1.1 meter
Net Weight:	259g
Gross Weight:	320g

Product Schematic Diagram

① Bluetooth Earphone Charger Dock

② Type-C Plug

③ For iPhone Plug

④ Wireless Charger

⑤ Smart watch charging stand

⑥ USB interface

⑦ Input: Type C cable

⑧ Rotary switch (Type C plug /for iPhone plug)

How to Use

1. Connect YM-UD17 to DC 5V output USB charger by it's USB cable

①If connect it to regular DC 5V USB charger, the wireless charging mode of YM-UD17 is 5W regular charge;

②If connect it to QC 3.0 Quick charger, the wireless charging mode of YM-UD17 is 10W fast charge.

2. Dafter connecting to the power supply, you could choose dock plug charge or wireless charge

①Dock Plug Charge: Plug and charge optional,plugs for iPhone, type-C mobile phone,compatible for more than 99% of smart phones.Dock plug charging do not support quick charge;

②Wireless Charge: If your mobile phone built in wireless charge function, you could put it on YM-UD17and charge directly; If your mobile phone do not built in wireless charge function, you need to connect your phone to a receiving coil and then charge.

3. Bluetooth earphone Charger Dock: Directly plug in your apple bluetooth headset is ok

4. Smart watch charging stand: it can charging for smart watch,when you mount watch charger cable.

Safety tips

Please read the instructions carefully before using the product, so that it can be used correctly and stored properly.

1. Do not disassemble the product or change the actual use of the product without authorization.

2. Keep away from water or other liquids which may lead to short circuit when using the product.

3. Please use the product in the temperature range of-10 C- 45 C. Do not use the product near the fire source or under sunlight.

4. For safety, please place the product away from children.
