RE: Request for Change in ID

< SHENZHEN AONI ELECTRONIC CO.,LTD.> Original FCC ID: < Z63-E938J3F >

Original Grant Date: <03/10/2023>

< Zero Edge Technology, LLC > New FCC ID: < 2A4R7-23SC02>

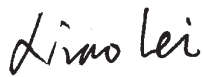

To Whom It May Concern:

< Zero Edge Technology, LLC > verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries < SHENZHEN AONI ELECTRONIC CO.,LTD. > brand, the equipment bearing the changed identification carries < Zero Edge Technology, LLC > brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.
