The screenshot shows the Game Boy Advance menu for the 'Game Boy Advance (Game Boy)' section. The menu lists 12 games, with 'Game 1' highlighted. To the right, there is a preview window for 'Game Boy Advance' showing a game titled 'GAME BOY ADVANCE' with a '4K' label. The preview includes a character selection screen with various characters and a 'SELECT' button.

The screenshot shows the GameStick Lite interface. At the top, there are buttons for 'HOME', 'BACK', 'GAME', and 'VIDEO'. Below these is a search bar with the text 'FIGHTERS W'. A list of games is displayed on the left, including 'FC', 'GB', 'GBA', 'GBC', 'MD', 'SFC', 'J21', and 'MAME'. On the right, there is a large graphic for 'GAME STICK LITE 4K' and a preview of the game 'FIGHTERS W' featuring a character in a fighting stance. At the bottom, there are buttons for 'SELECT', 'IN GAME', and 'EXIT'.

The screenshot shows the GameStick Lite interface. On the left is a vertical menu with a blue header and a list of games: Game 1, Game 2, Game 3, Game 4, Game 5, Game 6, Game 7, Game 8, Game 9, and Game 10. Game 1 is highlighted. On the right, the top status bar shows 'VS', 'Donkey Kong', '00000000', and '00000000'. Below this is the title 'GAME STICK LITE' in large, stylized letters. The main area displays a game in progress, which is Donkey Kong. At the bottom, there are three buttons: 'SELECT', 'END GAME', and 'EXIT'.

The screenshot shows the GameStick Lite interface. On the left, a vertical list of games is displayed, each with a small icon and a title: 拳皇 (KOF), 拳皇2, 拳皇3, 拳皇4, 拳皇5, 拳皇6, 拳皇7, 拳皇8, 拳皇9, and 拳皇10. The right side of the screen shows a game in progress, with the title "GAME STICK LITE" at the top. The game is a fighting game, and the characters are fighting on a stage. The score is 000000, and the time is 00:00. The game is running on a GameStick Lite device, which is shown at the bottom of the screen.

GameStick Lite interface showing a list of games. The 'FIGHTERS' category is selected, displaying a list of games including 'FIGHTERS', 'FIGHTERS', 'FIGHTERS', 'FIGHTERS', 'FIGHTERS', 'FIGHTERS', and 'FIGHTERS'. The 'FIGHTERS' game is highlighted.

The screenshot shows the GameStick Lite interface. On the left is a vertical menu with a blue header bar containing the text "游戏" (Games). Below the header, a list of games is displayed, each preceded by a blue arrow icon. The games listed are: 游戏1 (Game 1), 游戏2 (Game 2), 游戏3 (Game 3), 游戏4 (Game 4), 游戏5 (Game 5), 游戏6 (Game 6), 游戏7 (Game 7), 游戏8 (Game 8), 游戏9 (Game 9), and 游戏10 (Game 10). On the right is a large preview screen for the game "TEKKEN 3 FIGHTERS '97". The preview screen features the game's title in a stylized font, the SNK logo, and the text "GAME SPEED UP POWERFUL SOUND". At the bottom of the preview screen are three buttons: "开始" (Start), "设置" (Settings), and "退出" (Exit).

1. 方向键选中游戏菜单，按 START/A 键进入游戏

电源供电	5V/1A, 5V/2A, 5V/0.5A
扩展	支持 TF 卡扩充, 最大 128GB

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
