KEEP THIS PACKAGING FOR REFERENCE AS IT CONTAINS IMPORTANT INFORMATION.

Requires five "AA" (1.5V) batteries (not included) and one "9V" battery (included).

OFF-ROAD EXPLORER

RADIO CONTROLLED VEHICLE

BATTERY INSTALLATION

The vehicle requires 5 "AA" 1.5V batteries (not included). The controller requires one 9V battery (included). When changing batteries, adult supervision is required. Use only batteries of the same or equivalent type.

- Carefully remove items from the package.
- Locate the battery door on the bottom of the vehicle.
- Pull the latch on the door to the left and lift up to access the battery compartment. Insert 5 "AA" batteries while observing the correct polarity (Fig.1).
- Replace the battery compartment door.
- Slide the battery door on the back of the controller down to open. Insert one 9V battery while observing the correct polarity (Fig.2).
- Replace the battery compartment door.
- Switch both the vehicle and controller power switches to the "ON" position.
- Adjust the steering alignment lever located on the bottom of the vehicle (between front wheels) if the vehicle does not run straight when moving forward.

SAFETY PRECAUTIONS

- Do not operate during thunderstorms or rain.
- Do not operate near electrical appliances or your vehicle.
- Do not submerge vehicle or controller in water.
- Never operate your vehicle on the street or highway.
- Adult supervision is recommended when operating this vehicle.
- Remove all packaging before use. If it can be swallowed, dispose of it.
- Never use batteries when not in use and avoid accidental operation.
- Do not run your vehicle into furniture, objects or hard surfaces, as this will cause damage to both the objects and the vehicle.
- Keep your hands, hair and loose clothing away from the tires, gears and motor while the vehicle is switched to "ON".
- Do not leave vehicle or controller near sources of heat or under direct sunlight for long periods of time.
- Do not leave vehicle or controller outside overnight. Dampness is harmful to interior components.

NOTE: For best operation, use this vehicle on a hard surface.

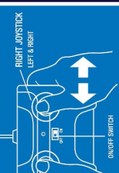
OPERATING CONTROLS



BATTERY WARNING:
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Insert batteries along the correct polarity. Do not short-circuit the supply terminal.
- Remove batteries when not in use and dispose of batteries in a safe manner according to national, state, and local laws. Do not dispose of batteries in a fire.
- Keep away from children.
- Only use alkaline, standard (carbon-zinc) or rechargeable batteries, charge only under adult supervision, if applicable, specified by the manufacturer.
- Remove rechargeable batteries from the toy. Recharge rechargeable batteries under adult supervision.

KEEP THIS PACKAGE FOR REFERENCE AS IT CONTAINS IMPORTANT INFORMATION.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
