Figure 1 shows a variety of mobile devices and their components. On the left, a vertical list of devices includes a Smartphone, Tablet, Smart TV, Smartwatch, and Smart Home. In the center, there are diagrams of a smartphone with a QR code, a tablet with a QR code, and a smartwatch. On the right, there are images of a smart TV, a smartwatch, and a smart home device. Below these, there are logos for various companies including LG, Samsung, and others.
