

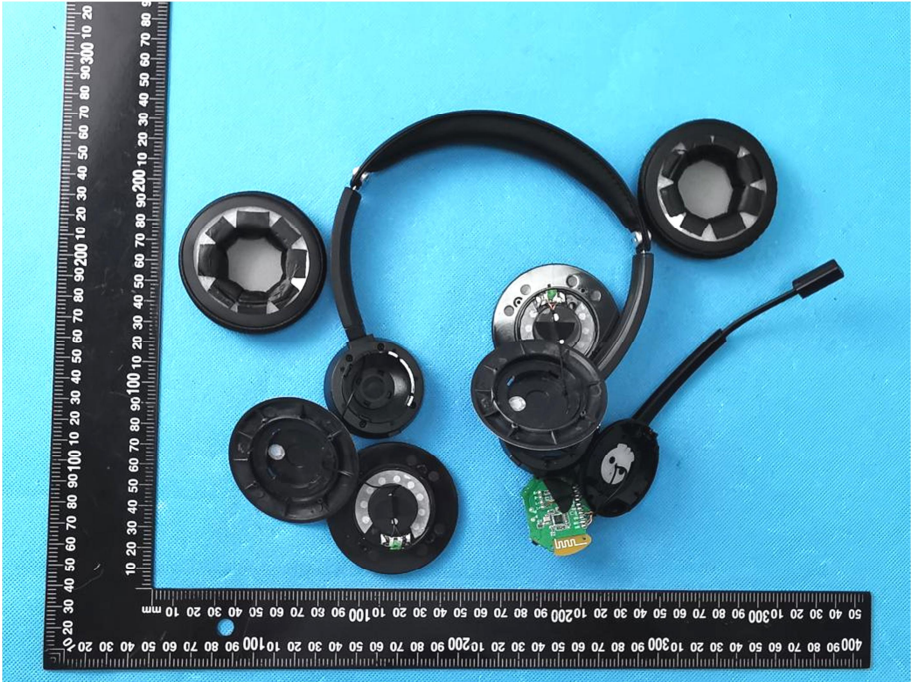

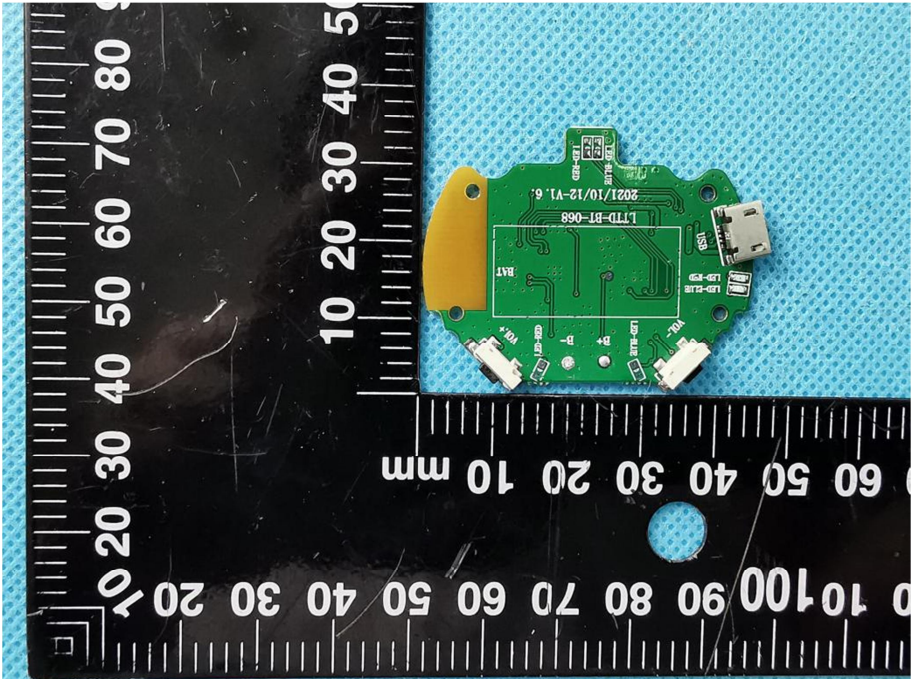

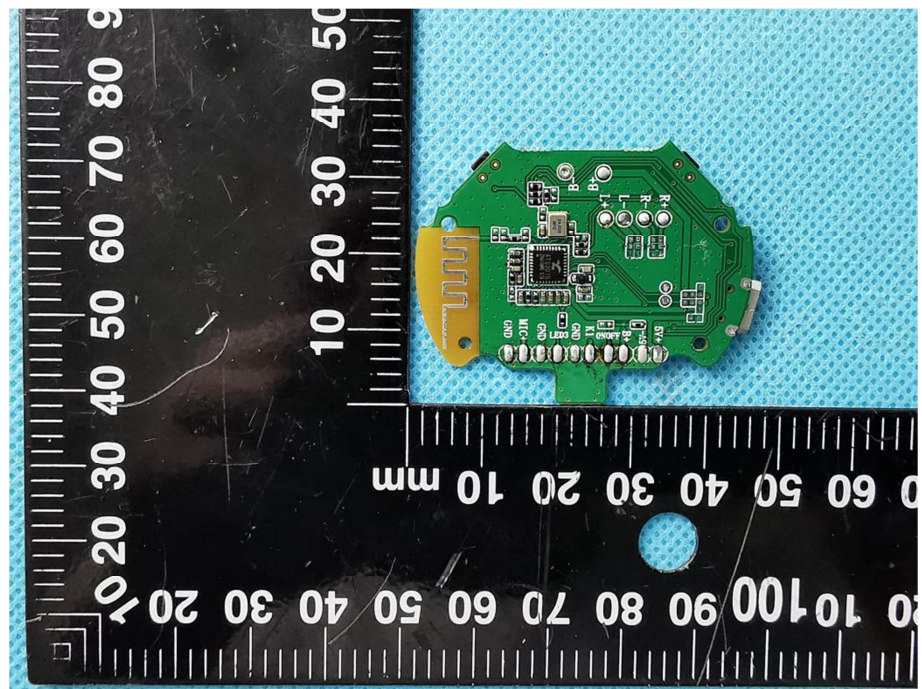

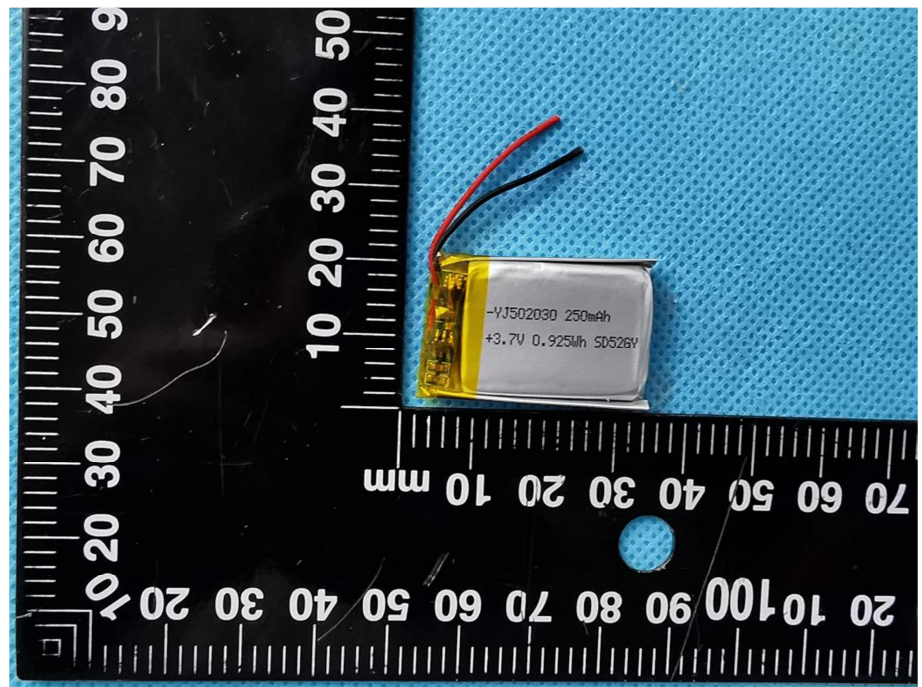

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the disassembled components of an Electronic Under Test (EUT). The components, including a black plastic housing, a green printed circuit board (PCB), and various internal parts, are laid out on a blue textured surface. A black L-shaped ruler with white markings in millimeters is placed next to the components for scale.
Solder Board-Component View 1	 A close-up photograph of the green PCB component. The board is positioned on a blue textured surface. A black ruler with white markings in millimeters is placed to the left of the board for scale. The PCB features various electronic components, including a USB connector, a battery, and several integrated circuits. Text on the board includes "LTTD-BT-068", "2021/10/12-V1.6", and "BAT".
