The image shows a Raspberry Pi 3B+ board, which is a single-board computer. It features a green PCB with various components including a Broadcom SoC, 1GB of LPDDR2-1594 RAM, and a 3.5V USB power regulator. The board is equipped with a USB Type-C port, a USB Type-A port, and a 3.5mm audio jack. It also has a 40-pin GPIO header and a 2x20-pin I2C header. The board is shown next to a ruler for scale, indicating its dimensions are approximately 85.6mm by 56.5mm.
