- Your RÉDUIT device will glow red and pulse gently to indicate battery is charging.
- A solid green light will indicate when your RÉDUIT device is fully charged.

3. SAFETY AND USAGE INFORMATION

Use this device only for its intended use as described in this manual. If you experience any discomfort, discontinue use immediately and consult a physician. If you have a skin condition or any medical concerns on your skin, please consult a dermatologist before use. Do not bring the device into contact with the eyelids or eyes themselves. This electronic device is not a toy. Keep it out of reach of children and pets. Do not leave packaging material in reach of children.

Avoid leaving your RÉDUIT device in direct sunlight and never expose it to extreme heat or boiling water. Do not open this product for battery replacement. The rechargeable battery is permanently built into the product and cannot be replaced. This electronic product should be kept away from magnetic fields not built into RÉDUIT device for proper functioning. Discontinue use if this product appears damaged in any way. This product contains no serviceable parts.

4. WARRANTY TERMS & CONDITIONS
REGISTER WARRANTY

To activate your 2-Year Limited Warranty register through visit www.reduit.com/warranty for more information.

2-YEAR LIMITED WARRANTY RÉDUIT warrants this device for a period of TWO (2) YEARS after the original date of purchase against defects due to faulty workmanship or materials arising from normal use of the device. The warranty covers working parts that affect the function of the device.

It does NOT cover cosmetic deterioration caused by fair wear and tear, or damage caused by accident, misuse or neglect. Any attempt to open or take apart the device (or its accessories) will void the warranty.

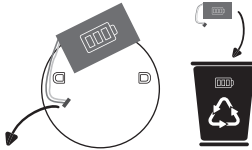

If you discover a defect and notify RÉDUIT during the warranty period, WELLFULLY will, at its discretion, replace the device free of charge. Claims under warranty must be supported by reasonable evidence that the date of the claim is within the warranty period. To validate your warranty, please keep your original purchase receipt together with these warranty conditions for the duration of the warranty period.

To claim your warranty, you must log in to your account at www.reduit.com and then select the option to make a warranty claim. Shipping costs are non-refundable. This undertaking is in addition to your statutory rights as a consumer and does not affect those rights in any way.

5. DISPOSAL INFORMATION

Disposal of old electronic equipment (applicable in the EU and other European countries with separate waste collection systems). The crossed-out dustbin symbol indicates that this device should not be treated as household waste, but rather be brought to the appropriate collection point for recycling of electrical and electronic equipment. By ensuring this device is disposed of correctly, you will help prevent the potential negative consequences for the environment and human health which could be caused by inappropriate waste handling of the product. The recycling of materials will also help conserve natural resources. For more information about the recycling of your device, please contact your local household waste disposal service or your place of purchase. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

6. BATTERY REMOVAL NOTE:

This process is not reversible. Opening the device will void its warranty. This action must only be undertaken when the device is ready to be disposed of. Because this device contains a lithium-ion battery, the battery must be removed before disposal and should not be thrown away with household waste. To remove the battery, open the connecting metal and plastic shell after removing silicone outer layer and remove the battery to be disposed of in accordance with your local environmental regulations. Wear gloves during this process for your safety. **Disclaimer: Users of this device do so at their own risk.** Neither WELLFULLY nor its retailers assume any responsibility or liability for any injuries or damages, physical or otherwise, resulting, directly or indirectly, from the use of this device. Further, WELLFULLY reserves the right to revise this publication and to make changes from time to time in the

contents thereof without obligation to notify any person of such revision or changes. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. MODEL MAY BE CHANGED FOR IMPROVEMENTS WITHOUT NOTICE.

If you do not find the answer to your specific question, or if you have any other questions regarding the device's operation, please visit reduit.com/support contact customer@reduit.com.

7. FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this

- equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna,
 - Increase the separation between the equipment and receiver,
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected,
 - Consult the dealer or an experienced radio/TV technician for help.
- Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

8. RF Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
