

## Declaration Differences

**1. CRX is a pair of headphones.**

**The CRX does not have Bluetooth functionality.**

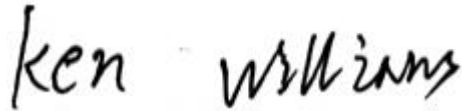

**It only has the function of noise reduction.**

**2. CRX-BT-LANYARD is a Bluetooth connection cable.**

**Can use the cable of the CRX headphones as a Bluetooth headset afterwards.**

**So, CRX and CRX-BT-LANYARD are sold together.**

Sincerely,

A handwritten signature in black ink that reads "ken williams". The signature is written in a cursive, lowercase style.
