NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

PRECAUTIONS ON USING THE BATTERIES

1. The remote control requires two 1.5V AAA non-rechargeable batteries;
2. The toy body requires four 1.5V AAA non-rechargeable batteries;
3. Do not charge the non-rechargeable batteries;
4. Do not mix new and old or different types of batteries;
5. Please note the polarity when installing or replacing the battery;
6. Please timely take out the battery with low power;
7. Do not short circuit the power supply terminal;
8. Take out and install the battery: Loosen the main battery compartment screws with screwdriver, open the battery cover, connect in the correct direction, then close the battery cover, tighten the screws of the battery cover with screwdriver.
9. Please do not disassemble or throw the bad batteries and battery pack into fire or water to avoid accident;
10. The toy must not be used by children under age 3.

Product requires
4 x 1.5V alkaline "AAA" batteries.

Remote controller requires
2 x 1.5V alkaline "AAA" batteries.

WARNING!

This toy is to be used under the guardianship of the adult. Please read this instruction manual carefully before using.
