

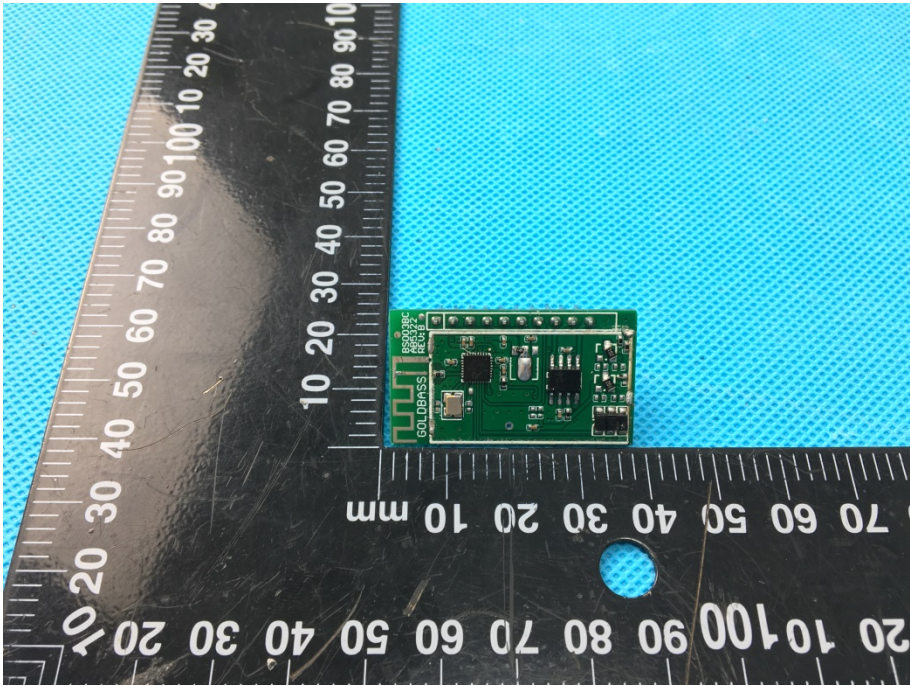

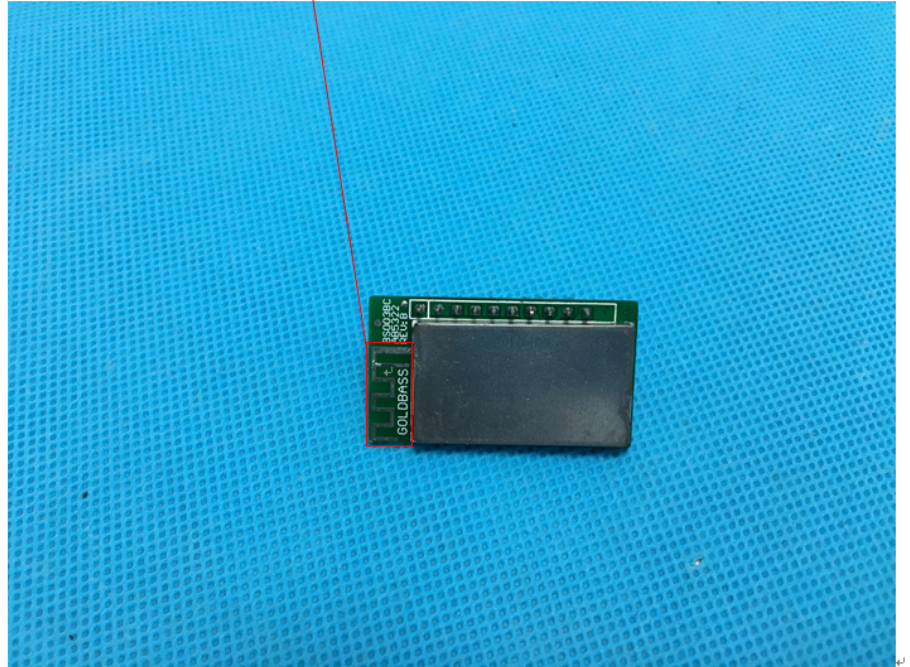

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph showing a small green printed circuit board (PCB) component with various electronic components, including a microchip and several surface-mount components. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm). The component is oriented vertically, and the ruler is placed horizontally next to it for scale.
Antenna View	BT Antenna  A photograph showing the same green PCB component from a different angle, focusing on the antenna area. A red box highlights the antenna, and a red line points to it from the label "BT Antenna". The component is placed on a blue textured surface. The antenna is a small, rectangular, black component mounted on the PCB.
