

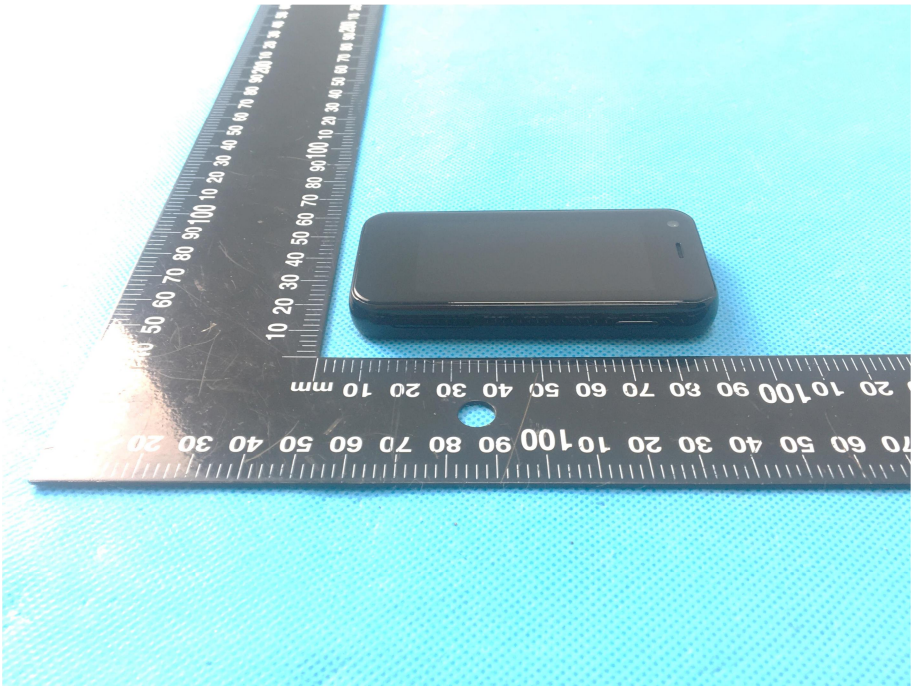

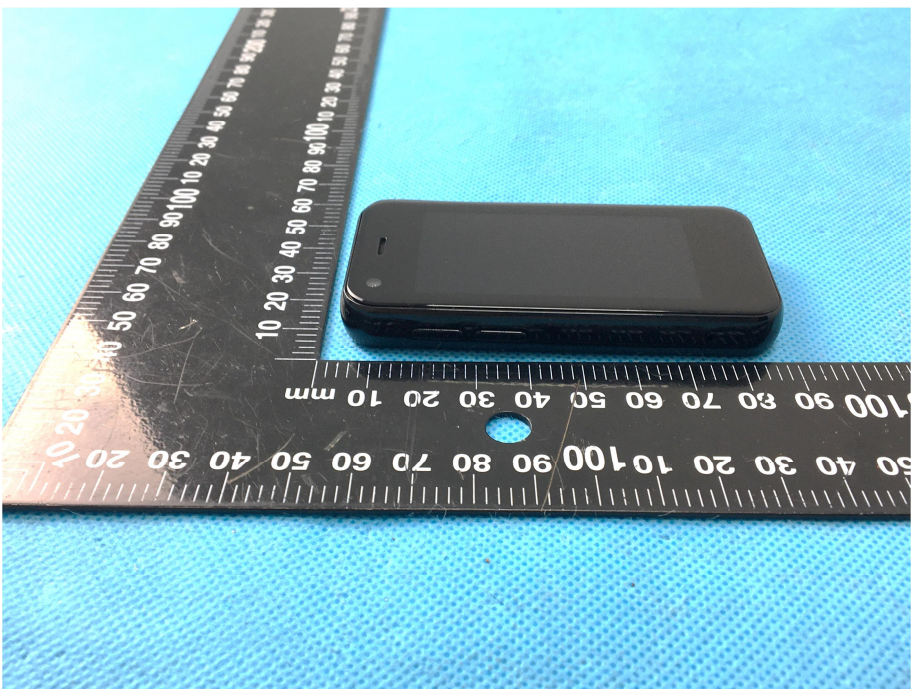

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black mobile phone and a white charging cable lying on a blue textured surface. A black ruler with white markings is placed vertically to the left of the phone. The phone is oriented vertically with its screen facing the ruler. The charging cable is coiled and lies to the right of the phone. The ruler has markings in centimeters and millimeters, with a '0' mark at the top and '100' at the bottom.
EUT View 2	 A photograph showing a black mobile phone lying on a blue textured surface. A black ruler with white markings is placed vertically to the left of the phone. The phone is oriented vertically with its screen facing the ruler. The ruler has markings in centimeters and millimeters, with a '0' mark at the top and '100' at the bottom.

EUT View 3	 A photograph showing the back of a black smartphone. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally below the phone. The ruler has two scales: the top scale is in centimeters (0 to 10) and the bottom scale is in millimeters (0 to 100). The phone's camera module is visible at the top left, and the text "Smart Phone" is printed near the bottom center of the back. The ruler is placed such that the phone's width is approximately 70 mm.
EUT View 4	 A photograph showing the front of a black smartphone. The phone is positioned horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the phone. The ruler has two scales: the left scale is in centimeters (0 to 10) and the right scale is in millimeters (0 to 100). The phone's screen is visible, and the text "Smart Phone" is printed near the bottom center of the front. The ruler is placed such that the phone's height is approximately 100 mm.

EUT View 5	 A black mobile phone is shown vertically, positioned next to a black ruler. The ruler has white markings in centimeters and millimeters. The phone is placed on a blue textured surface. The ruler is oriented horizontally, with the phone's length corresponding to the ruler's scale.
EUT View 6	 A black mobile phone is shown horizontally, positioned next to a black ruler. The ruler has white markings in centimeters and millimeters. The phone is placed on a blue textured surface. The ruler is oriented horizontally, with the phone's width corresponding to the ruler's scale.
