

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and Board
View 1**

**Solder
Board-Component View
1**

Solder Board-Component View 2	 A photograph of a small green printed circuit board (PCB) component, labeled '2', mounted on a blue textured surface. The component is rectangular with a central circular hole and several soldered connections. A red push-button is attached to the right side. A metal ruler is placed vertically to the left of the component, showing a scale from 1 to 8 cm. A smaller ruler is placed horizontally below the component, showing a scale from 1 to 7 mm. The component's length is approximately 4.5 cm and its width is approximately 1.5 cm.
Solder Board-Component View 3	 A photograph of a larger green printed circuit board (PCB) component, labeled '3', mounted on a blue textured surface. The component is rectangular with various electronic components, including resistors, capacitors, and a central integrated circuit. A metal ruler is placed vertically to the left of the component, showing a scale from 1 to 8 cm. A smaller ruler is placed horizontally below the component, showing a scale from 1 to 8 mm. The component's length is approximately 6.5 cm and its width is approximately 2.5 cm.

Solder Board-Component View 4	 A photograph of a green printed circuit board (PCB) with various electronic components, including a microcontroller, resistors, and capacitors. The board is placed on a blue textured surface. A metal ruler is positioned vertically to the left of the board, showing a scale from 1 to 8 cm. Another metal ruler is positioned horizontally below the board, showing a scale from 1 to 8 mm. The PCB has the text "Glocusent_V1.2" and "2022-12-04" printed on it.
Antenna View	 A photograph of the same green PCB, showing the antenna section. A red box highlights the antenna area, and a red arrow points to it from the label "BT Antenna" in a red box. The board is placed on a blue textured surface. A metal ruler is positioned vertically to the left of the board, showing a scale from 1 to 8 cm. Another metal ruler is positioned horizontally below the board, showing a scale from 1 to 8 mm. The PCB has the text "Glocusent_V1.2" and "2022-12-04" printed on it.
