

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

**Radiation Emission Test
Setup (Below 30MHz)**

**Radiation Emission Test
Setup (30MHz to 1GHz)**

	 A close-up photograph of electronic components on a dark, flat surface. The components include a small circuit board with various components, a cylindrical component, and several wires (red, yellow, black) connected to the board. A circular mark is visible on the surface above the components.
Radiation Emission Test Setup (1GHz to 18GHz)	 A photograph of a radiation emission test setup. A white, rectangular test object is placed on a black table. The table is surrounded by a yellow and black striped safety barrier. The background consists of a white wall with a black grid pattern. A large, white, circular antenna structure is visible on the right side of the image.

**Radiation Emission Test
Setup (Above 18GHz)**
