FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. KEY PHONE LLC requests that the following documents regarding this submission for FCC ID: 2A39U-CFD001 be kept Long-Term confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Schematics.pdf
Operational Description	Operational Description.pdf
BOM	BOM.pdf
Tune Up	Tune up.pdf

And below exhibit kept short-term confidential (180 days):

Exhibit Type	File Name
External Photos	External Photo.pdf
Internal Photos	Internal Photo.pdf
Test Setup Photos	Test Setup Photos.pdf
Users Manuals	Users Manual.pdf

Those documents contain detailed system and equipment description and related information about the product which KEY PHONE LLC considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, KEY PHONE LLC considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.
