Report No.: HTT202605702

Product Name: Wireless Lavalier Microphone

Model No.: S90

Test Setup Photo

Radiated Emission

A photograph of a Keysight MNA signal analyzer, a piece of electronic test equipment. The device is silver and black, with a large color display screen showing a waveform. To the right of the screen is a control panel with numerous buttons and a rotary knob. Below the screen, there are several status LEDs and a small label. A blue USB cable is plugged into a port on the front panel, and the other end of the cable is plugged into a small green USB dongle resting on a light-colored wooden surface. The background shows a blue metal frame and a wooden chair.
