

WISEWELLWATER INC.

FCC ID: 2A6Q6WISEWELLSPKSTL

Date: 9/15/2026

Subject: authorization for adding family models

To whom it May concern,

Statement

We confirm the product Reverse osmosis purification machine with models Sparkle, Still are same in the Schematic, PCB layout, Operation description, BOM and Antenna. Only the model names, booster pump and solenoid valve are different. The model Sparkle has an additional booster pump and solenoid valve compared to Still.

Yours sincerely,

Sami Khoreibi

Director
