											Before fixing, wipe and clean the surface to be adhered.				
C											Loosen the suction cup bracket's clip or unscrew the telescopic arm of the vent bracket counter-clockwise.				
D											Align the magnetic charging module with the circular rotation slot on the mount's magnetic surface, press, and rotate clockwise by 90° to lock.				
E											Connect a Type-C power input (at least 27W), attach your phone magnetically, and begin wireless charging.				
F											CAUTIONS				
G											Do not disassemble, modify, knock or strike the product.				
H											Use only the factory supplied charging cable, adaptor and power adaptor.
