A white, rectangular USB Type-C to USB-A adapter is shown next to a black ruler. The adapter has a USB-A port on its side and two gold-plated pins on top. The ruler is marked in centimeters and millimeters, providing a scale for the object. The background is a blue textured surface.

A white, rectangular USB Type-C to USB-A adapter is shown next to a black ruler. The adapter has a USB-A plug on one end and a USB Type-C port on the other. The ruler is marked in centimeters and millimeters, providing a scale for the adapter's size. The adapter is placed on a blue, textured surface.
