Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) with various electronic components. The board is rectangular with a circular cutout on the right side. It is placed on a blue textured surface next to a metal ruler. The ruler has markings in centimeters (0 to 20) and millimeters (0.5 mm). The board features several integrated circuits, resistors, and a large circular component on the right side.
Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) with various electronic components. The board is rectangular and populated with numerous components, including a large black integrated circuit, several capacitors, and a white connector. It is placed on a blue textured surface next to a metal ruler. The ruler has markings in centimeters (0 to 18) and millimeters (0.5 mm). The board features a complex layout of components and traces.
