|                          | Original application                                                                | New application                                                                       |
|--------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Model                    | JNT-EVC11/xxAC/BD/F/G                                                               | EVC-1-WF and EVC-1                                                                    |
| Design                   |  |  |
| Appearance               | Black                                                                               | White                                                                                 |
| Wireless Function Option | WIFI or LTE                                                                         | WIFI                                                                                  |

1. The original application has several colors. the new ID(2A6VY-ACEVC) only need the white appearance, and compared with original application they just have different appearance between them.

2. This new ID (2A6VY-ACEVC) only have one WI-FI option.

Sincerely,

*Bernie Gnut*
