FCC warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation

This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This device generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this device does cause harmful interference to radio or television reception, which can be determined by turning the device off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the device and receiver.
- Connect the device into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

Product features

Support for voice calls
Support phone answer/hang up/refuse/redial
Support wireless stereo music
Support music play/pause/volume up/volume down

Product Specification

Bluetooth version: V4.0
Bluetooth protocol support: HSP V1.2,HFP V1.6,A2DP V1.2, AVRCP V1.4
Frequency range: 2402MHz-2480MHz
Transmission distance: 10M
Sensitivity: -80dbm
Working voltage: 3.7V
Battery capacity: 450mAh
Music listening time: ANC- OFF 10H, ANC-ON 9H
Talk time: 14H
Standby time: 200H
Charging time: 3H

Matters needing attention

- Do not disassemble, repair or modify the product by yourself;
- Please store and use the product in room temperature environment;
- Do not drop the product to avoid damage caused by falling;
- Please use the rated voltage of the headset for charging;
- Unauthorized disassembly will invalidate the warranty;
- Prolonged exposure to high volume may cause hearing damage, so excessive volume should be avoided;
