## French User Manual Declaration

IC Number: 28882-246001A

Model Number: FieldMan

Please be advised that at the time of application we do not currently have a French version of the user manual.

We understand that it is a mandatory requirement to supply both French and English versions of the user manual at the time the product is made available to the Canadian market.

We declare that the product will not be marketed in Canada without the French and English versions of the manual.

Yours sincerely

  
Furkan Dayi  
Head of R&D
