A black, flexible, looped object, possibly a cable or strap, is shown resting on a blue surface. The object has a central section with white markings that appear to be '1', '2', '3', '4', '5', '6', '7', '8', '9', '10'. A ruler is placed horizontally below the object, showing measurements in inches and centimeters. The ruler is marked from 1 to 10 inches. The object is positioned above the ruler, with its loops extending from the 1-inch mark to the 10-inch mark. The object is black and has a flexible, looped appearance. The background is a solid blue surface.
