Magnetic wireless charger User Manual   Made in China	Product Show 	Parameter Name：Magnetic Wireless charger Model：YW-22B Material：Aluminum alloy+silicone+magnet Input：≥9V-2A /5V-3A/12V-1.5A Output：15W/10W/7.5W/5W size：130*56*7mm Packing size：135*70*14mm Packaging List：Magnetic Wireless charging Manual*1	Instructions For Use 1.Please connect the wireless charging device to a charger or car charging head that meets the requirements of CCC certification before using. To achieve fast charging efficiency, please use PD18W or USB/QC3.0 fast charger for power supply 2.iPhone12 and iPhone13 series mobile phones can be charged directly by magnetic attraction 3.iPhone12 and iPhone13 series mobile phones are equipped with a magnetic protective cover (ensure that the protective cover conforms to Apple's magnetic standard), which can be charged directly by magnetic suction. 4.Others support Qi wireless charging mobile phones, you only need to align the center point of the wireless charging coil to charge when placed flat. 5.Others support Qi wireless charging mobile phones, if you need to experience the magnetic attraction function, you need to paste a special iron ring or magnetic sheet on the back of the mobile phone to achieve the magnetic attraction function.	Cautions 1.Please confirm whether your mobile phone supports wireless charging, otherwise it will not charge your mobile phone 2.Please do not put magnetic objects such as metal/magnetic sheet/credit card on the back of the phone or the phone case, otherwise it will cause failing to charge. 3.Do not use a mobile phone case thicker than 2mm, otherwise it will not be magnetically attracted and the charging efficiency will be affected 4.Do not use this product in a high temperature or humid environment to avoid malfunction, damage or leakage 5.Do not splash water or other liquids on the wireless charger. If you need to clean it, make sure to disconnect the power.	Certificate of conformity  Inspector This product has passed the inspection ----- Warranty Card Product Number: _____ Inspector: _____ Inspection Date: _____
