Nemko Canada, Inc.

303 River Road, Ottawa, ON, K1V 1H2

Justification letter regarding the frequency bands under FCC Part 22H and 24E

FCC ID: 2A7IGEXCBTSBMAX

For Models: FXm-Bmax

This letter is to confirm that the above-mentioned product respects the following licensed frequency blocks related to FCC part 22H as specified in 22.905 Channels for cellular service and FCC part 24E as specified in 24.229 Frequencies.

The system will transmit only on same frequencies as the licensed operators are transmitting already in the system is used.

Sincerely,
Juha Kumpula
Product Manager
EXFO
