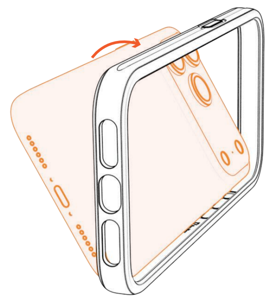
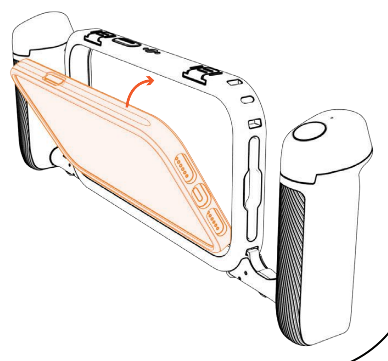
Telefon sicher im Inneren
Coloca el teléfono de forma segura en el interior

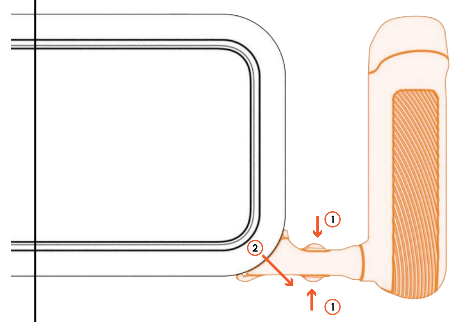


3
Secure bumper phone into the Rig
Fixez la coque avec le téléphone dans le ProRig
Das Handy sicher im Halter befestigen
Fija el teléfono con carcasa protectora al soporte



Detaching Handles / Poignées amovibles

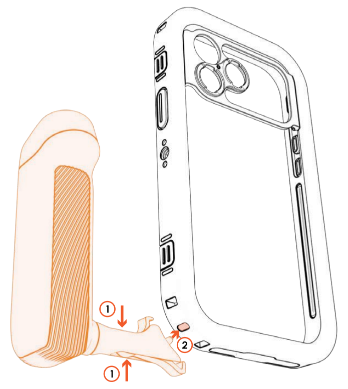
Abnehmbare Griffe / Asas desmontables



Squeeze both sides and Pull it out
Pincez les deux côtés et tirez pour retirer la poignée
Beide Seiten zusammendrücken und den Griff herausziehen
Aprieta ambos lados y tira para extraer el asa

Attaching Handles / Fixation des poignées

Griffe anbringen / Colocación de asas



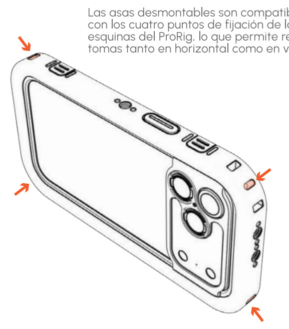
Align and snap it in place
Alignez la poignée et enclenchez-la
Den Griff ausrichten und einrasten lassen
Alinea el asa y encájala en su lugar

The detachable handles can be attached to any of the four corner mounting points on ProRig, allowing you to shoot in landscape or portrait orientation.

Les poignées amovibles sont compatibles avec les quatre points de fixation situés aux coins du ProRig, ce qui permet de prendre des photos en mode paysage ou portrait.

Die abnehmbaren Griffe lassen sich an allen vier Befestigungspunkten an den Ecken des ProRig anbringen und ermöglichen so Aufnahmen im Quer- oder Hochformat.

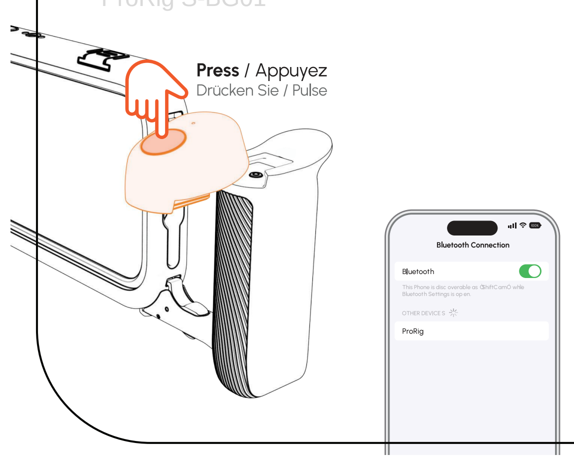
Las asas desmontables son compatibles con los cuatro puntos de fijación de las esquinas del ProRig, lo que permite realizar tomas tanto en horizontal como en vertical.



Connecting Removable Wireless Shutter

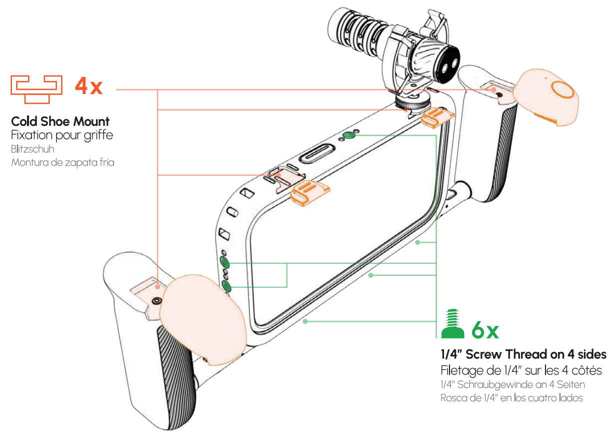
Connexion d'un obturateur sans fil amovible
Abnehmbaren kabellosen Auslöser verbinden
Conexión del obturador inalámbrico extraíble

ProRig S-BG01



Attaching Accessories

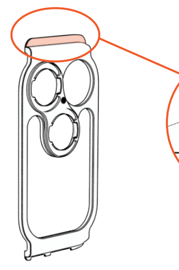
Fixation des accessoires
Zubehör anbringen
Colocación de accesorios



4x
Cold Shoe Mount
Fixation pour griffe
Blitzschuh
Montura de zapata fría
6x
1/4" Screw Thread on 4 sides
Filetage de 1/4" sur les 4 côtés
1/4" Schraubgewinde an 4 Seiten
Rosca de 1/4" en los cuatro lados

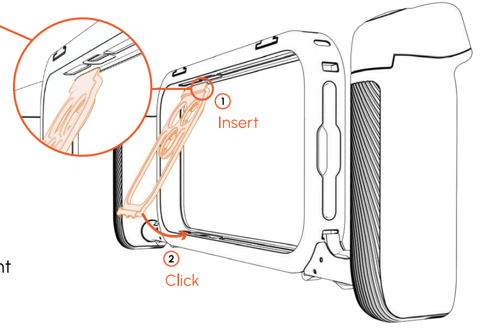
Installing the S.Mount Adapter / Installation de l'adaptateur S.Mount

Installation des S.Mount-Adapters / Instalación del adaptador S.Mount



S.Mount Adapter
Adaptateur S.Mount
S.Mount-Adapter
Adaptador S.Mount

1
Insert Lens Mount
Insérez la monture d'objectif
Objektivhalterung einsetzen
Inserte la montura del objetivo



2
Secure bumper phone into the Rig
Fixez le téléphone à l'étui de protection
Das Handy sicher im Halter befestigen
Fija el teléfono con carcasa protectora al soporte

ISED Statement
This device complies with Innovation, Science and Economic Development licence-exempt RSS standard(s). Operation is subject to the following two conditions:
(1) this device may not cause interference; and
(2) this device must accept any interference. Including interference that may cause undesired operation of the device.

Avis Innovation, Science et développement économique
Le présent appareil est conforme aux Innovation, Science et développement économique aux appareils radio exem pts de licence L'exploitation est autorisée aux deux conditions suivantes:
1) l'appareil ne doit pas produire de brouillage; et
2) l'utillsateur de l'appareil doit accepterbrouillage radioélectrique subi meme si le brouillage est susceptible d'encompromettre le fonctionnement. mauvais fonctionnement de l'appareil.

Radiation Exposure Statement:
This product complies with the ISED RF exposure limit set forth for an uncontrolled environment and is safe for intended operation as described in this manual.

Déclaration d'exposition aux radiations:
Ce produit est conforme à la limite d'exposition ISED RF définie pour un environnement non contrôlé et est sûr pour le fonctionnement prévu comme décrit dans ce manuel.

FCC COMPLIANCE STATEMENT:
This device complies with part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications to this unit not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement
The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure condition without restriction.
