View 1****Solder
Board-Component View
1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, likely a solder mask or a small board, placed on a blue textured surface. The component is rectangular with several gold-colored pads and traces. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 10 to 90 mm. The component is oriented horizontally, and its length is approximately 100 mm.
Antenna View	 BT Ant A photograph of the same green PCB component, showing the antenna side. The component is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 10 to 90 mm. The component is oriented horizontally, and its length is approximately 100 mm. A red box highlights a specific area on the component, labeled "BT Ant".
