Subject: Labeling Justification for FCC ID: 2A7MGLB1001

The product with the FCC ID **2A7MGLB1001** is a hearing aid with a small and curved labeling area, therefore it is impracticable to display the FCC ID in 4 point or larger font on the equipment. Pursuant to 47 CFR § 2.925 Identification of equipment, paragraph (f), the FCC ID label is on the product packaging and in the User Manual that accompanies the hearing aids.

Precedents for this allowance being made for hearing aids can be seen in the following grants:

- A94BMD0012
- U28OTBTESP

Sincerely,

Pete Salmi, CEO
