A close-up photograph of a green printed circuit board (PCB) featuring a USB-C connector. The board is populated with several surface-mount components, including a black integrated circuit (IC) labeled 'S3S', a small black component labeled '325', and several small, light-colored surface-mount capacitors. The PCB has white silkscreen text, including 'H707A_MAIN_V1.2(FR3091E)' and '2025/04/25'. The USB-C connector is located on the left side of the board, with pins labeled 'GND', 'TX', 'RX', and '3V3_VBUS'. The board is set against a dark, textured background.
