| <div>Solder<br/>Board-Component View<br/>8</div> |  A photograph of a green printed circuit board (PCB) component, labeled '2016-10-25', 'CN1', '14.1', 'CN2', 'R1', 'U1', and 'KEY IND'. The component is positioned on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm). |
| <div>Solder<br/>Board-Component View<br/>9</div> |  A photograph of a green printed circuit board (PCB) component, showing the underside with numerous solder pads and traces. The component is positioned on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm).           |
