

ESP32-WROOM-32UE

The image shows an ESP32-WROOM-32UE module, a small black PCB with a white label. The label contains the model number, FCC ID, and IC number. A metal SMA connector is visible on the right side of the module. To the left of the module is a metal ruler with millimeter markings and circular holes. The module is placed on a blue textured surface.

FCC ID: 2A7XS-ESPWROOM32UE

IC: 29657-ESPWROOMUE
