

- Name: True Wireless Bluetooth Earbuds
- Model: NBI
- Bluetooth version: Bluetooth 5.3
- Compatible Bluetooth profile: AVRCP/A2DP/HFP/HSP
- Supported codec: SBC/AAC
- Maximum communication range: ≤10 m
- Frequency band: 2402MHz-2480MHz
- Frequency range: 20Hz-20KHz
- Earbuds' battery capacity: 40mAh/0.148Wh
- Earbuds' input power: 5V=40mA
- Charging case's battery capacity: 300mAh/1.11Wh
- Charging case's input power: 5V=330mA
- Charging case's interface: USB-C
- Material: ABS

1. Power on

a. When the charging case opens, the earbuds power on.

① Earbuds are ready to pair right out of the charging case.
Note: If the pairing fails, please check whether the earbuds are fully charged and repeat the operation above.

Note: For the first-time pairing, please keep the pairing range within 1 m. After the pairing is successful, the earbud automatically powers off when placed back in the case, and you can use either earbud independently.

- Auto power off
 - a. The earbuds will automatically power off after 5 minutes of not being connected.
 - b. When the earbuds are not paired with the phone due to the long distance, it will automatically power off if it is not connected for more than 5 minutes.
- Manual power off
 - a. Earbuds automatically power off when placed back in the charging case with the lid closed.
 - b. When it is connected, press and hold the multi-function button (left or right) for 5 seconds and make sure the earbuds are not in use and the earbuds will power off.

- **Play/Pause:** Tap the multi-function button twice quickly (left or right)

- Decline the call: Press and hold the multi-function button for 2 seconds (left or right)

- When the phone is in standby or playing music, tap the multi-function button for 3 times (left or right) to activate your voice assistant. Tap the multi-function button for 3 times (left or right) to stop mobile device voice control.

- When the earbuds are powered on (and turned off the device's Bluetooth function), tap the multi-function button for 4 times to clear the Bluetooth devices list.

Status	Color	Indication
During charging	Green	The indicator on the charging case repeatedly flashes in green. When the battery is fully charged, the indicator lights up in green.
Take out or place the earbuds back	White	Take out: The indicator on the charging case stays the same. Place back: When the remaining battery charge of the earbuds is between 99% and 5%, the indicator on the charging case lights up in white. When the battery is fully charged, the indicator turns off.

Require charging	White	5% or lower: The indicator on the charging case repeatedly flashes slowly in white for about 15 seconds, and then turns off.
