R&D Dept	Engineer Dept	Approved

Product Specification

1, Electrical characteristics

Frequency 2.4GHz~2.5GHz

VSWR<3.0

Efficiency>30%

Impedance 50Ω

Polarization Line

Gain 0dBi

2, Material & Mechanical Characteristics

Material of Radiator Cu

Cable Type 0.1 12p

Connector Type :

3, Environmental

Operation Temperature: -30°C~+80°C

Storage Temperature: -30°C~+80°C

Test Equipment & Conditions

1, Network Analyzers

Agilent 8733D 5071B

2, Communications Test Set

Agilent E5515C
