

ANNEX

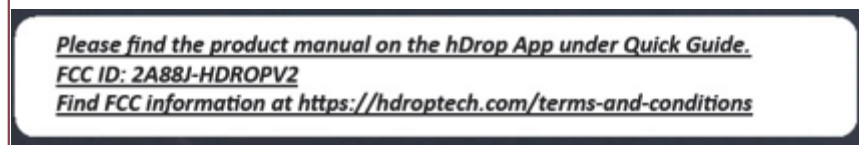

EXHIBIT 1 - PRODUCT LABELING

Proposed FCC ID Label Format

E-Label

Packaging Label

Specifications: We have decided to use an E-label, the product uses with the hDrop APP. The label is in the APP and online, also the FCC ID could be found on the packaging box. Once the APP is installed, clicked on the FCC ID at the bottom page, it will bring you to the FCC label and regulatory information page. On the packaging box also listed the website where the FCC label and regulatory information could be found.

Proposed Label Location on EUT
