E-label Declaration

We, hDrop Technologies Inc., hereby declare that the E-label meets the following FCC requirements:

1. The FCC ID can be found in the APP through the following steps:
 - a) Open the APP
 - b) The FCC ID is already showing on the bottom of the page. Click on the FCC ID on the bottom of the APP, and then it will open up the page with the E-label information.

2. The product does not require the use of special access codes or accessories (e.g. SIM/USIM cards) to access the FCC ID.
3. The user manual shows the FCC ID and directs the user where to find the FCC ID information and the FCC ID is displayed electronically in manner that is clearly legible without the aid of magnification.
4. Both regulatory information and dedicated exclusive application(s) or script(s) are secured and implemented in a factory-set unalterable format. The regulatory information is capable of being retrieved and is played locally, and under the control of the end user in possession of the product. The method is secure, such that the application or script ensures that the regulatory information is correctly displayed. The FCC regulatory information will not change for any reasons, like system upgrade, etc, also that the end user cannot modify it.
5. There is a physical label on the product packaging box of the product, as shown below:

Sincerely,

Signature:
