Label size: (L: 12cm*W: 6cm)

Name: Reverse Current Protection Device
Model: EMSR40NA11
Max. Output power: 9.6kW
Input/output voltage: 120-240Vac, 50Hz/60Hz
Input/output current: 40A
ip degree: Type 1
Input/output frequency: 50/60Hz
Temperature: -30°C ~ 40°C
FCC ID: 2A88Z-EMSR40NA11

Read owner's manual before operation.
Requires installation by a professional electrician.
Do not use if damaged.
Install in a well-ventilated environment.
Connect only to a properly grounded outlet.
Non-serviceable. Do not open.

Made in China
